Application for Financial Assistance

Financing a college education is a major commitment and the financial situations of all students are different. At John Paul the Great Catholic University, we believe that the primary financial responsibility for a student's education lies with the student and their family. We work with each student in creating a plan that enables them to attend JP Catholic, one of the most exciting new Catholic colleges in the country.

As a new university, JP Catholic does not yet participate in government funded financial aid programs. Students need only complete this application to be considered for all types of JP Catholic financial aid.

When completing the application, be sure to answer all questions accurately and completely **using your latest tax return information**. If you have any questions about the application please do not hesitate to contact Finance Office at 1.858.653.6740 .

*** Financial Aid Awards will be awarded beginning mid-March*
