

› REQUEST FOR OFFICIAL TRANSCRIPT ›

Student: Please complete this form and submit to your high school records office. For final enrollment at John Paul the Great Catholic University, you must submit two high school transcripts - one for initial admissions consideration, and one for enrollment reporting final graduation. If reporting credit for college courses, submit this form to your college registrar's office(s).

High School Records Official/College Registrar: Please note that we do not consider students for admission until official transcripts are received. To accelerate the process, we recommend that you give directly to the student an official copy of his/her transcript in a sealed envelope so that it can be submitted with their application. However, if it is your policy, you may mail an official copy directly to:
